SUPER SUCCESS MANTRA

(How to Control & Write Your Fate)

SUPER SUCCESS MANTRA

We are made of three things viz. mind, body and spirit. We all equal but considered to have different luck. Here you will learn, all factors which must be taken care to get luck in your favor.

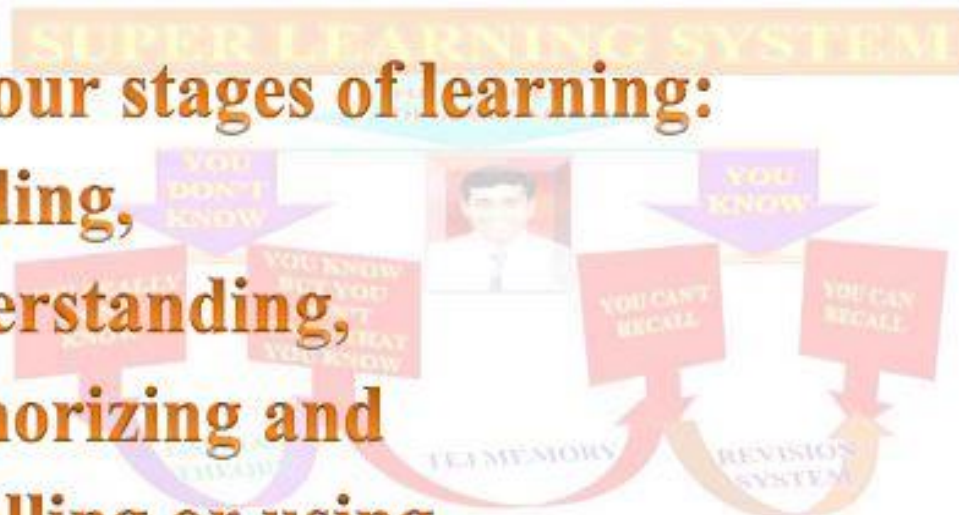

SUPER LEARNING SYSTEM

(A Complete Learning Solution)

We have four stages of learning:

- 1. Reading,**
- 2. Understanding,**
- 3. Memorizing and**
- 4. Recalling or using.**

Here participants will learn how to read, understand, memorize and recall effectively.

LIVE TO LEARN

(The Way to Glorify Yourself)

We learn to live i.e. we need things for a happy and successful life, so we must learn to live a happy life. This 'must' is opposite of happiness. So we must do something to make us really happy. This program teaches how to get 'PARAS' of the life, to make you happy for life.

LAYMAN THEORY

(A Treasure of Learning & Creativity)

A unique concept developed by Mr. Sanjay Pal, for learning and creativity. This concept is so effective that a student of class VIIIth standard can understand M. A. subject after being trained in 'Layman Theory'. Although it takes time to get trained in 'Layman Theory', however, participants will be able to learn enough to apply 'Layman Theory' in their day to day life.

TEJ (FAST) MEMORY

TEJ (FAST) MEMORY

(The Surest Way to Memorize Everything)

जोसोरी तेज करने का शक्तिवा उपाय

It consists of all fundamental memorizing concepts and practical application of its concepts in subject like Biology, History, Chemistry, etc. and also to have fun in day to day life like memorizing mobile no., playing cards, name & faces, long shopping list. It's very much effective for concentration development and for Alzheimer patient also.

EINSTEIN KEY

(To Bring Your Potentiality into Reality)

Imagination means the future, the way towards tomorrow and the driving force of our life. Therefore, the imagination is the only power which could be used by us for our success, as Albert Einstein had used his imaginative power and became the symbol of Geniuses.

Geniuses mean inside-out process. If you could bring your potentiality into reality then you will be called as Genius. This program is about "How to bring out talent with the help of imagination."

‘EDUCATION WITHOUT HOMEWORK’

(Why Be Prisoner for 14 Years?)

Let's assume that on an average in any school there are 6 months holiday in a year, which includes summer vacation, Sundays, examinations and other. So balance time left is 6 months. We spend for study in a school from class 1st to 12th (12 years X 6 months X 30 days X 6 hours) = **12,960 Hours.**

So what do we get after such huge investment of time?

A CALL FOR YOUR HEALTH

(Because You Deserve Health)

Although, we are confident enough that we know everything about health system. However we would like to assure you that after attending this program you will be able to heartily give thanks for such wonderful knowledge of your own system of healing power.

BRAINSTORMING FOR YOUR PERSONAL RIDDLES

(You Just Need a Hint to Ride It)
